

## Public Consultation July 2014

ARUP

## What are the transport issues?

radequate transport connections

nadequate transport connections

from Galway onwards to Connemara

unitative to the transport connections

and the transport connections

are the transport connections

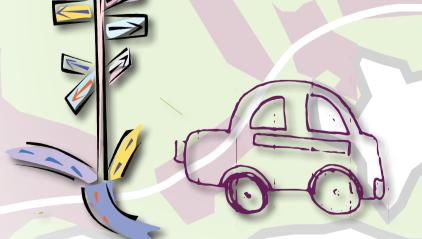

and the transport connections

are the transpo

Peak hour traffic delays Journey time unreliability

Major through routes are congested

Inadequate transport links
to access markets within
the city

Lack of accessibility to the Western Region
