

Galway City Transport  
Project

13/3/2015

## Bulletin # 3

1. There has been significant engagement and input from the public following the recent public consultation on this project. Almost one thousand submissions have been received, we thank everyone involved for these submissions.
2. The public display of the material from the second public consultation has been removed from the project office. All material is still available on the project website: [www.n6galwaycity.ie](http://www.n6galwaycity.ie).
3. Queries on the project can be made by contacting the project team by phone, email or post. Contact details are as follows:

**Phone** : 091 460675
